

Dear Community Friend,

Mountains of Courage is a local, non-denominational, non-political, volunteer group. We create safe conversations on death & dying & hold supportive space for this universal human experience. Since 2012 we have served to connect, educate & empower our community on all matters related to death & dying.

The Mountains of Courage Committee **invites you to sponsor** our 12th annual Mountains of Courage Conference on **Saturday April 6, 2024** at the Best Western Plus GranTree Inn in Bozeman Montana.

This year's conference is designed to educate our community about advocacy & educational programs on conscious aging, dying & death. And to inform our community about self-care whether they are grieving or assisting those who are dying & grieving. We anticipate 100+ attendees.

Keynote Speaker

Mountains of Courage welcomes Reverend Bodhi Be to our 2024 conference. Reverend Bodhi Be is an ordained interfaith minister. He is the founder and executive director of Doorway Into Light, a nonprofit organization on Maui, which provides conscious and compassionate care for the dying, their families and the grieving, and has been offering community educational programs and trainings since 2006 in the fields of awakened living and dying and the care of the dying. Doorway Into Light operates Hawaii's only nonprofit funeral home since 2012. It also has a storefront 'The Death Store', a community educational resource center and store providing education, support and counsel on a donation basis.

Bodhi is a funeral director, an end-of-life and bereavement counselor and educator; a hospice volunteer; a teacher and trainer of death doulas; a speaker and workshop leader. He has trained hundreds of doctors, nurses, hospice staff, social workers, ministers, chaplains, therapists, artists and lay people in the spiritual, psychological, emotional and logistical care of the dying and care of the dead, and for four years has taken dozens through a certification program for death doulas.
